Family Weekend Schedule

Calling All Parent Connectors!
There will be a training session and reception for all Parent Connectors and parents interested in volunteering as a Parent Connector on Saturday, October 15, at 3:00 p.m. during Family Weekend. Parent Connectors are current or past MIT parents who have volunteered to serve as a resource both for MIT and for current and prospective parents in their geographic areas.

LEARN HOW TO BECOME A PARENT CONNECTOR

Externship Program
The Student/Alumni Externship Program takes place during Independent Activities Period (IAP), January 9 to February 3, 2012. Each year MIT Alumni host students in their workplaces around the world. Externships can lead to summer internships, full-time employment, and meaningful connections with alumni. Encourage your student to check out this year’s opportunities. Student applications are due October 12 at noon EDT.

New Dorm on the Block
Thousands of MIT students, faculty, and staff turned out at the September 14th block party to officially welcome Maseeh Hall, the Institute's newest undergraduate dormitory, to the MIT campus. Over the past two years, the building has received a thorough renovation, thanks to the generosity of alumnus donor Faiborz Maseeh ScD '90.

A Letter from the Parents Fund Chair
Dear Fellow Parents,

Thank you to all of you who participated in making last year’s MIT Parents Fundraising Campaign such a success! Together we raised $1.6M from over 3,000 MIT parents to support student life at MIT. Our students have access to such a rich variety of programs and activities while at MIT. The opportunity to have a hands-on research experience through a UROP or take active part in addressing real-world problems with the Public Service Center are only some of the elements that make the MIT experience special. Thank you for your continued support as we launch into a new year.
